2. To enact needed legislation for the purpose of protecting property rights of Texas citizens who are now or may be enlisted in the service of the United States as soldiers or sailors during the present war between the United States and her allies and the Imperial German Government; having particular regard to the extension of time in which they may as defendants answer to civil suits filed after enlistment.

3. To enact adequate legislation suspending, during the present war with Germany, the rights of execution under a power of sale in the instrument, in all deeds of trust and mortgages on real property, when the party who executed the instrument is enlisted in the army or navy of the United States, providing that execu-

4. To enact such legislation as in the judgment of the Legislature may be necessary and proper to meet the unusual conditions that have arisen on account of the severe drouth that has prevailed in the State, providing relief to the citizens in drouth-stricken sections, especially in those counties where the food crops have been failures this season.
